Specializing in weight loss Personal Training

LUXXS

Our Business

Personal training specializing in weight loss. We provide total support for weight loss with effective training using knowledge and techniques supervised by a physical therapist, dietary advice from a dedicated dietitian, and low-sugar home-delivered meals.

Referral target

Those who have experienced diet rebound and want to lose weight.
Those who are in the marriage activity business, matching business, or bridal business.

My dream

We would like to create a facility where all health category services such as training, yoga, relaxation, etc. are available!
